Coronavirus.....what is it?

It is like a nasty cold or flu. We all have to stay at home so we don't catch it and pass it on to people who are already ill or old in case it makes them very poorly. People are worried that if everyone gets poorly at the same time there won't be enough space in hospital. This means we have to help to slow the spread of the virus to help people that we love and the nurses and doctors working hard.

Having so much time at home gives us lots of time to think about ourselves and our feelings. SO how are you feeling?

happy & Bad too.

What will you remember about Lockdown?

The Beach

Mummy's birthday
