Coronavirus.....what is it?

It is like a nasty cold or flu. We all have to stay at home so we don't catch it and pass it on to people who are already ill or old in case it makes them very poorly. People are worried that if everyone gets poorly at the same time there won't be enough space in hospital. This means we have to help to slow the spread of the virus to help people that we love and the nurses and doctors working hard.

Having so much time at home gives us lots of time to think about ourselves and our feelings. SO how are you feeling?

I am geeling all kinds of geeling. Some days I'm happy sometimes I'm sad. Everyday is different.

What will you remember about Lockdown?

I will remember the whole thing!

Lockdown has made me feel happy even though it was a bit weird at the start. It made me feel happy because it gave me the opportunity to discover new things about myself. I feel excited about going back to school.

What will you remember about Lockdown?

I will remember from lockdown, the time spent with my family, going on long walks around the golf course and playing games. I will also remember the time when my Dad shouted "who can do maths?" before we did I Can Do Maths.

I am annoyed ^{feeling?} because you don't get to see your friends and most of the time you stay at home and don't get to do the things you really wanted to do. Lockdown has changed allot of things, for example, your not allowed to go on holiday and you have to have partys at home. I am also upset because I haven't been able to see my Nanna, Grandpa and granny in over 12 months.

Coronavirus.....What is it?

It is like a nasty cold or flu. We all have to stay at home so we don't catch it and pass it on to people who are already ill or old in case it makes them very poorly. People are worried that if everyone gets poorly at the same time there won't be enough space in hospital. This means we have to help to slow the spread of the virus to help people that we love and the nurses and doctors working hard.

Having so much time at home gives us lots of time to think about ourselves and our feelings. SO how are you feeling?

I feel happy because I have got to spend time with my dog and family and looking forward to going back to school.

What will you remember about Lockdown?

Lots of walks and event TV

we are quite happy
although I miss my
friends.

What will you remember about Lockdown?

beating my parents
and my brother at
sports in the garden. Also
you can't go out
and it will go
down in history

Having so much time at home gives us lots of time to think about ourselves and our feelings. So how are you feeling?

I'm feeling sad and happy.
Sad because I don't get
to go out and see friends
happy because I get to
spend more time with parents

What will you remember about lockdown?

That I got to go out
with my mummy and
daddy to play table
tennis in the garden.
Home school, not seeing
friends and ~~scared~~

scared I'll get
the virus

I am feeling a bit annoyed that
we can not see our friends but happy
That we can see my family more.

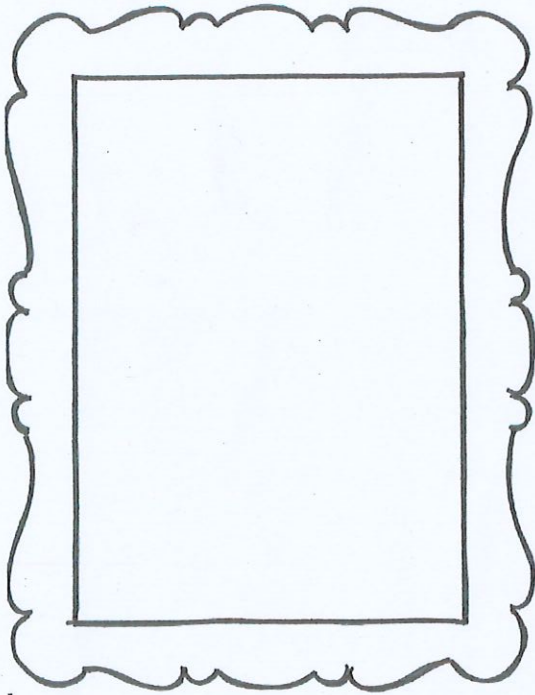

What will you remember about Lockdown?

- What fun it is
- spending more time with my family
- getting out on long walk
- Me getting a BMX bike
- Cub camp
- Sleeping in dens.

Ok.

Being at home wasn't that fun because you can't see your friends.

What will you remember about Lockdown?

I will remember moving school in it.

I will also remember that I didn't get to see friends.
