

Inclusion / Closing the Gap – Provision Map

The principle of Inclusion remains the basis for all of our provision in 2020-21. Therefore the work we are doing to extend our general provision in order to deliver effective learning experiences for all children incorporates the 'Catch –up' agenda arising from the impact of Covid-19 on their progress.

Thus, there is a range of response to support the needs of all children and to focus on ensuring they have achieved or are on track to catch up with their expected progress against their last statutory assessment point.

Inclusion Provision Map

2020-2021 Funding	
Pupil premium funding	£61,964
Catch-up funding	£33,200
Total	£95,164

What	How	Who (lead)	Cost	Impact
