Key Contacts

Key contacts in relation to the issue of Attendance at Stoke Bishop C of E Primary School are:

- For information regarding the Attendance strategy and policy development please contact the Headteacher, Mr David Forrester on:
head.stoke.bishop.p@bristol-schools.uk
- For any issues related to attendance on a day-to-day basis or attendance concerns please contact your child's classteacher on the email provided
- Should you require more detailed support on attendance then you can contact our Attendance officer, Mrs Claire Woodman-Smith on:
c.woodman-smith@bristol-schools.uk
- **First Day calling arrangements for when your child is not in school are as follows:**
If your child is going to be absent from school then all Parents /Carers are asked to contact the school by 9.30am on the first day of their absence:
 - by phoning the office on **0117 377 2173** where you can speak to a member of the Admin Team or leave a message if it is out of hours.
 - By completing the absence form on the Schoolzine app and submitting this to the school.

Part 1 Policy:

1. Introduction

It is the aim of Stoke Bishop CofE Primary School that pupils should enjoy learning, experience success and achieve in many different aspects of life. Our Attendance Policy reflects this and recognises that regular, consistent attendance has a positive effect on the motivation and attainment of pupils and is an integral part of our school

Some pupils find it harder than others to attend school and therefore at all stages of improving attendance we will work together with them, their parents and partner organisations to remove barriers, by building strong and trusting relationships. Therefore, improving attendance is everyone's business.

Our school's vision is 'Believing it's Possible'. This is a commitment to all our pupils that they should have access to a successful, positive school provision. To fulfill this, we aim to ensure that they attend school at all times where possible, giving them the opportunity to 'flourish' and to build attitudes that will support them for a lifetime.

2. Aims

Our school aims to meet its obligations with regard to school attendance by ensuring every pupil has access to the full-time, efficient education to which they are entitled; acting early to address patterns of absence and creating a culture in which the importance of good school attendance is understood and valued by all parties.

This policy sets out our school's position on attendance and details the procedures that all parents¹ must follow to report their child's absence from school and to remind them of their legal duty, to ensure their child attends school regularly.

This policy will be applied fairly and consistently, taking into account the individual needs of our pupils and their families who have specific barriers to attendance. Therefore, in the development of our policy we have considered our obligations under the Equality Act 2010 and the UN Convention on the Rights of the Child.

It is vital that children develop regular attendance habits at an early age. Therefore, the school will encourage parents of Nursery children, and Reception children who are not yet of compulsory school age, to send their children to every session that is available to them. If the child is unable to attend the school for any reason, the parent should inform the school of the reason on the first day of absence. If the school is concerned about a pupil's attendance for any reason, we will contact the parent to discuss the matter, in the first instance.

¹ Education law defines parents as: all natural parents, whether they are married or not; any person who has parental responsibility for a child or young person; and any person who has care of a child or young person i.e., lives with and looks after the child. In this policy the term 'parent' includes parents and carers.

We will also support parents to perform their legal duty to ensure their children of compulsory² school age attend regularly and will promote and support punctuality in attending lessons.

We want our pupils to go to school every day unless they are really not well enough to attend. We believe that children who attend school regularly are more likely to feel settled in school, maintain friendships, keep up with their learning and gain the greatest benefit from their education. We want all our pupils to enjoy school, grow up to become emotionally resilient, confident and competent adults who are able to realise their full potential. Regular attendance and punctuality is essential in the workplace and children who are used to attending school on time, and on every occasion unless they are too unwell to attend, will be better prepared for the attendance expectations in the workplace.

In April 2017 the Supreme Court clarified the definition of regular attendance to be attendance “in accordance with the rules prescribed by the school”, therefore if an absence is not authorised by the school, the pupil’s attendance is deemed to be irregular.

We will do all we can to encourage our pupils to attend. We will also make available the best provision we can, for any pupil who needs additional support in school or who is prevented from attending school, due to a medical condition.

Please see DfE guidance documents [‘Supporting pupils at school with medical conditions - December 2015’](#) and [‘Ensuring a good education for children who cannot attend school because of health needs- January 2013’](#) – or ask the school for printed copies.

We believe that one of the most important factors in promoting good attendance is the development of positive attitudes towards school and a sense of belonging. To this end, we strive to make our school a happy and rewarding experience for all children, and to foster positive and mutually respectful relationships with parents.

By promoting good attendance and punctuality we aim to:

- Make good attendance and punctuality a priority for all those involved in the school community.
- Raise our pupils’ awareness of the importance of good attendance and punctuality.
- Provide support, advice and guidelines to parents, pupils and staff.
- Work in partnership with parents, including regularly informing them about their child’s absence and attendance levels.
- Support pupils back into school following a lengthy or unavoidable period of absence and provide support to build confidence and bridge gaps.
- Celebrate and reward good attendance and punctuality.

² A child becomes of ‘compulsory school age’ on the 1st January, 1st April or 1st September following their 5th birthday and ceases to be of compulsory school age on the last Friday in June of Year 11.

2.1 Effects of non-attendance

The table below indicates how what might seem like just a few days absence can result in children missing a significant number of lessons.

Attendance during school year	Days lost in a year	Which is approximately	Approximate number of lessons missed
95%	9.5 Days	2 Weeks	50 Lessons
90%	19 Days	4 Weeks	100 Lessons

3. Safeguarding and Attendance

Our school will monitor trends and patterns of absence for all pupils as a part of our standard procedures. However, we are aware that sudden or gradual changes in a pupil's attendance may indicate additional or more extreme safeguarding issues. In line with government guidance [Keeping Children Safe in Education](#) (2022 version, or as updated by the DfE) we will investigate and report any suspected safeguarding cases on to the relevant authorities. As part of our safeguarding duty and our standard procedures, we will inform the Local Authority and/or the Police of the details of any pupil who is absent from school when the school cannot establish their whereabouts and is concerned for the pupil's welfare. (Please see our school's Safeguarding Policy for more information).

4. Legislation and Guidance

This policy meets the requirements of the government guidance 2022 [Working Together to Improve School Attendance](#) from the Department for Education (DfE), and refers to the DfE's 2015 statutory guidance on [School Attendance Parental Responsibility Measures](#). These documents are drawn from legislation setting out the legal powers and duties that govern school attendance including:

- The Education Act 1996
- The Children Act 1989
- The Crime and Disorder Act 1998
- The Anti-social Behaviour Act 2003
- The Education and Inspections Act 2006
- The Sentencing Act 2020
- The Education (Pupil Registration) (England) Regulations 2006
- The Education (Parenting Contracts and Parenting Orders) (England) Regulations 2007
- The Education (Penalty Notices) (England) Regulations 2007

The DfE's guidance on the [school census](#) explains the persistent absence threshold.

5. Using data to support improvements in attendance

Any absence affects the pattern of a child's schooling and regular absence may seriously affect their learning. The Department for Education (DfE) defines a pupil as a 'persistent absentee' when they miss 10% or more schooling across the school year, for whatever reason. For pupils who miss more than 50% of possible sessions they are defined as 'severely absent'.

The school will ensure that data is routinely monitored to identify emerging attendance issues and will seek to prevent any pupil becoming persistently or severely absent. This will include: identifying the individual needs of pupils; working closely with families and wider support services to remove barriers to attendance; and where a formalised approach in conjunction with the local authority is required in line with the DfE guidance [Working Together to Improve School Attendance](#).

6. Understanding Barriers to Attendance

In relation to understanding barriers to attendance, we will ensure all pupils and parents are treated with dignity and staff will model respectful relationships to build a positive understanding between home and school that can be the foundation of good attendance. In communicating with parents, we will highlight the link between attendance and attainment and wider wellbeing and enhance their understanding of what good attendance looks like. Where a pupil or family needs support with attendance we will identify who is best placed to work with them to address issues.

We will support pupils and parents by working together to address any in-school barriers to attendance. Where barriers are outside of the school's control, all partners should work together to support pupils and parents to access any support they may need voluntarily.

Where absence intensifies, so should the support provided, which will require the school to work in tandem with the local authority and other relevant partners.

Some pupils face greater barriers to attendance than their peers. These can include pupils who suffer from long term medical conditions or who have special educational needs and disabilities. In working with parents to improve attendance, we are mindful of the barriers these pupils face and will put additional support in place where necessary to help them access their full-time education.

Reduced timetables will only be used in exceptional circumstances, for a limited period to support pupils to reintegrate back into education to access fulltime provision.

The school is committed to share information and work collaboratively with other schools in the area, local authorities and other partners when absence is at risk of becoming persistent or severe

7. Staff Training on Attendance

Improving attendance requires knowledge of guidance and regulations but also expertise in working with families to remove barriers to attendance and safeguard pupils. Just as those barriers are regularly evolving, so too is the training that school staff require to address them. The school therefore will facilitate training for all staff to understand

- the importance of good attendance and that absence is almost always a symptom of wider circumstances,
- the law and requirements of schools including on the keeping of registers
- the school's strategies and procedures for tracking, following up and improving attendance,
- the processes for working with other partners to provide more intensive support to pupils who need it.

For staff with specialist attendance responsibilities, they will receive training to include

- the necessary skills to interpret and analyse attendance data,
- and any additional training that would be beneficial to support pupils and pupil cohorts overcome commonly seen barriers to attendance.

Part 2 What the Law Says and Our School Procedures:

This policy complies with our funding agreement and articles of association.

1. Contents of the Admissions Register

The admission register (sometimes referred to as the school roll) must contain specific personal details of every pupil in the school along with the date of admission or re-admission to the school, information regarding parents and carers, and details of the school last attended. The school will enter pupils on the admission register at the beginning of the first day on which the school has agreed with, or been notified by the parent, that the pupil will attend.

A pupil's name can only lawfully be deleted from the admission register if a reason set out in regulation 8 of the Education (Pupil Registration) (England) Regulations 2006, as amended, applies.

It is vital that the admission register is kept up to date. Therefore, we encourage parents to inform the school of any changes whenever they occur and we can then ensure the admission register is amended as soon as possible.

2. Contents of Attendance Register

The law makes it clear that schools must take the attendance register at the start of the first session of each school day and once during the second session. On each occasion the school must record whether each pupil is:

- Present;
- Absent;
- Attending an approved educational activity; or,
- Unable to attend due to exceptional circumstances.

Effective and timely use and sharing of register data is critical to improve attendance and is supported by the use of our Management Information System to record attendance information.

2.1 Present at School (and Lateness)

Pupils are marked present if they are in school when the register is taken. If a pupil leaves the school premises after registration they are still counted as present for statistical purposes.

It is the duty of parents to ensure that children attend school on time. This encourages habits of good timekeeping and lessens any possible classroom disruption.

The [Family Link Worker](#) will meet with parents of those children who are frequently late arriving at school to investigate reasons and work together to find solutions to enable more punctual attendance.

Our pupils should arrive by **8:45am** on each school day.

Our morning register is taken at **8:50am** and will be kept open until **9:00am**

Our afternoon register is taken at **1:15pm** and will be kept open until **1:20pm**

A pupil who arrives late but before the register has closed will be marked as late (L) – which counts as present.

If a pupil arrives after the register has closed (9.00am / 1.20pm) they will be marked with the unauthorised absence code “Late after registers close” (U) which is an unauthorised absence mark. However, if the pupil is late arriving due to a valid reason such as an unavoidable medical appointment, the absence will be authorised and coded accordingly. See DfE guidance [Working Together to Improve School Attendance](#).

2.2 Effects of Late Arrival at School

When a child arrives late to school, they miss important events like assembly, teacher instructions and introductions. Children often also feel embarrassed at having to enter the classroom late.

The table below indicates how frequent lateness can add up to a considerable amount of learning being lost. This can seriously disadvantage children and disrupt the learning of others.

Minutes late per Day	Equates to Days of Teaching Lost in one Year	Which means this number of lessons missed
5 mins	3 Days	15 Lessons
10 mins	6 Days	30 Lessons
15 mins	9 Days	45 Lessons

3. Authorised Absence

‘Authorised absence’ means that the school has either given approval in advance for a pupil of compulsory school age to be away from the school or has accepted an explanation offered afterwards as justification for absence.

The following information outlines the main circumstances where absence may be authorised by the school:

3.1 Illness

In most cases, absences for illness which are reported by following the school’s absence reporting procedures will be authorised. That is unless the school has a genuine concern about the authenticity of the illness.

The school follows Department for Education guidance '[Working Together to Improve School Attendance](#)' 2022³ which states that if the authenticity of the illness is in doubt, the school may ask the parent to provide medical evidence, such as a prescription, appointment card, or other appropriate form of evidence.

We will not ask for medical evidence unnecessarily. In some instances, the school may ask the parent to obtain a letter from a GP, or the school may seek parental permission to contact the pupil's GP directly to help support the needs of the individual pupil.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised.

Where a pupil has a high level and/or frequency of absence, the school may require medical evidence of some description in order to authorise any future medical absences. If this is the case, the school will make the parent/s aware of this expectation in advance.

The reporting of absence due to illness remains the responsibility of the parent. Absences due to illness which have **not** been reported to the school by the parent on the first day of absence may not be authorised.

Parents should contact the school office by 9.30am on the first day of absence to inform us as to the reason. This should be:

- by telephone ([0117 377 2173](tel:0117 377 2173))
- A message can be left on the answer machine on the number above
- By completing the sickness absence form on the Schoolzine app and submitting this to the school.

If a child is absent for more than one day, the parent should contact the school each day to provide an update on the child's condition, unless otherwise agreed by the school.

Mental Health and Wellbeing

Parents who have concerns about their child's mental wellbeing can contact their child's Hub Lead, who will share the need with our school's Designated Safeguarding Lead or Family Link Worker for further information on the support available.

Parents should also contact their GP or the NHS Helpline by phoning telephone number 111 for advice if they are concerned. In case of emergency parents should dial 999.

Pupils taken ill during the school day

If a pupil needs to be sent home due to illness, this would be by agreement with an appropriately authorised member of school staff. In such circumstances, the pupil must be collected from the school office by a parent or another authorised adult and signed

³ Please ask the school for a printed copy of Working Together to Improve School Attendance if required

out in the 'signing out' book. No pupil will be allowed to leave the school site without parental confirmation.

3.2 Medical/Dental Appointments

Parents should try to make appointments outside of school hours wherever possible. Where appointments during school time are unavoidable, the pupil should only be out of school for the minimum amount of time necessary for the appointment. It is not acceptable for a child to miss a whole day's schooling for an appointment, unless absolutely necessary, in which case the school will need an explanation as to why this is.

If a pupil must attend a medical appointment during the school day, they must be collected from the school office by the parent or another authorised adult, and signed out in the 'signing out' book. No pupil will be allowed to leave the school site without parental confirmation.

Advance notice is required for medical or dental appointments, unless it's an emergency appointment, and must be supported by providing the school with sight of, or a copy of, the appointment card or letter – only then will the absence be authorised.

3.3 Religious Observance

Our school acknowledges the multi-faith nature of the school community and recognises that on some occasions, religious festivals may fall outside of school holidays or weekends. In accordance with the law, the school will authorise one day's absence for a day exclusively set apart for religious observance by the religious body to which the parent belongs. Should any additional days be taken, these will be recorded in the register as unauthorised absence. If necessary, the school will seek advice from the parents' religious body, to confirm whether the day is set apart.

3.4 Traveller Absence

The school will authorise the absence of a Traveller pupil of no fixed abode who is unable to attend school because they are travelling with their parent who is engaged in a trade or business of such a nature as to require them to travel from place to place. This is subject to certain limits, depending on the child's age and number of sessions absent. The school will discuss cases individually with Traveller parents as necessary. Parents should let the school know of their plans as far in advance as possible. Authorised Traveller absence will be recorded appropriately in the register.

To help ensure continuity of education for Traveller children, wherever possible, the child should attend school elsewhere when their family is travelling for occupational purposes. In which case the child will be dual registered at that school and this school, which is their 'main' school.

Children from Gypsy, Roma and Traveller communities whose families do not travel for occupational purposes are expected to register at school and attend as normal. They are subject to the same rules as other children in terms of the requirement to attend school regularly.

3.5 Suspensions (aka Exclusions)

If the school decides to send a pupil home due to their behaviour, this will be recorded as an Exclusion. The school will follow the current [DfE's statutory guidance on exclusions](#).

Any exclusion **must** be agreed by the headteacher.

The school will notify the parent of the exclusion in writing. If the pupil is a Child in Care, the school will notify the pupil's carer, social worker and the HOPE Virtual School. In other instances, where a pupil is open to Children's Social Care for any reason, the school will also inform their allocated social worker.

The pupil must be collected from the school office by the parent or another authorised adult, and signed out in the 'signing out' book. No pupil will be allowed to leave the school site without parental confirmation.

4. First Day of Absence Response

The school will follow up any absences to ascertain the reason, ensure proper safeguarding action is taken where necessary, identify whether the absence is approved or not and identify the correct attendance code to use.

- A text is sent to parents by 10.00am via the Schoolzine app
- If there is no response a follow up call is made by 10.30am
- If there is no response then alternative contacts are followed up until contact has been made and the child's absence established and explained by the parent

If the school is unable to contact any of the emergency numbers provided, and is concerned for the welfare of the pupil, we may request a Welfare Check from the police.

5. Rewarding Good and Improved Attendance

At Stoke Bishop Church of England Primary School, we understand the importance of promoting and recognising good attendance by all pupils. We do this by:

- Fortnightly awarding, in Celebration Assembly, of Class of the Week certificate and 'looking after' Anthony the Attendance Ankylosaurus.
- Fortnightly announcements of Class of the week for attendance in the Newsletter
- Promoting the importance of school attendance in learning discussions – especially PSHE sessions
- Annual certificates for 100% attendance are awarded at the end of each academic year

6. Leave of Absence Requests – 'Exceptional Circumstances'

The law does not grant parents the automatic right to take their child out of school during term time.

Only exceptional circumstances warrant an authorised leave of absence. The school will consider each application individually, taking into account the specific facts and circumstances and relevant background context behind the request. The request must be made by the parent with whom the child normally lives, and permission must be sought in advance. The school will not grant leave of absence unless there are exceptional circumstances. The school must be satisfied that there are exceptional circumstances, based on the individual facts and circumstances of the case; following consultation with other staff as required, including the Designated Safeguarding Lead. Where a leave of absence is granted, the school will determine the number of days the pupil can be away from school. A leave of absence is granted entirely at the school's discretion.

Circumstances which could be authorised include significant family emergencies or funerals. However, parents will also be aware that, wherever possible, it can be better for children to continue to attend school normally during difficult family times.

Parents should complete a Leave of Absence Request form which is available on the Schoolzine App or on the school's website. The request should be submitted as soon as it is anticipated; and wherever possible, at least **four weeks** before the absence.

Although such absence may be unauthorised, it is better that we know your child is safe, rather than missing.

Please be aware that you may be required to provide us with additional evidence in order to support your request. As with all schools, If we have any concerns about possible safeguarding risks such as risk of FGM or Forced Marriage, we will follow the necessary protocols. (Please see our school's Safeguarding Policy for more information.)

All term time absence for children in care should be discussed at the child's Personal Education Planning (PEP) meeting in advance where possible and agreed with the Social Care and The HOPE Virtual School. This permission should be gained before school is approached for approval. The school will contact the HOPE Virtual School in relation to any requests for term time absence for a child in care.

7. Unauthorised Absence

Unauthorised absence is where a school is not satisfied with the reasons given for the absence.

Absence will be unauthorised if a pupil is absent from school without the permission of the school. Whilst parents can provide explanations for absences, it is the school's decision whether to authorise the absence or not.

Unauthorised absence includes:

- Absences which have never been properly explained
- Pupils who arrive at school too late to get a mark

- Shopping
- Birthdays
- Waiting at home for a washing machine to be mended, or a parcel to be delivered
- Day trips
- Long weekends and holidays in term time (unless very exceptional circumstances are agreed in writing, in advance by the school)
- In the case of term time leave - if a pupil is kept away from school longer than was agreed, the additional absence is unauthorised

Unauthorised absences may result in Legal Sanctions, usually Penalty Notices or Prosecutions.

8. Approved Educational Activity (AEA)

When pupils are attending educational activities off the school site that have been approved by the school, the register will be marked to show this is the case. (See DfE 2020 School Attendance guidance.)

If a pupil is attending an alternative education provider such as another school, or Pupil Referral Unit, for part or all of their education, our school will make arrangements for the pupil to be dual registered at the other setting and mark our registers accordingly.

If a pupil is attending an alternative education provider, which is not a school or Pupil Referral Unit, for part or all of their education, we will mark the sessions which the pupil attends the alternative setting as code B (off-site educational activity). The school expects the alternative provider (AP) to notify us of any absences by individual pupils, to ensure we become aware of any attendance concerns as soon as possible and take follow up action as necessary. Attendance updates will be provided on a **weekly** basis, or more frequently if agreed with the alternative setting.

Any attendance concerns will be followed up by us, in conjunction with the AP.

9. Unable to attend due to exceptional circumstances (as set out in the law and DfE guidance)

In accordance with DfE school attendance guidance, our school will record pupils as 'Unable to attend due to exceptional circumstances' in the following circumstances (such circumstances are not recorded as absences):

- Our school site, or part of it, is closed due to an unavoidable cause
- The transport provided by our school or the Local Authority is not available and the pupil's home is not within statutory walking distance. (See the DfE's ['Home to school travel and transport'](#) guidance document, or ask the school for a printed copy.)

- A local or national emergency has resulted in widespread disruption to travel which has prevented the pupil from attending school.
- The pupil is in custody, but still on the school roll. (If the school has evidence that the pupil is attending educational activities, we can record those sessions as 'present at approved educational activity'.)

10. Support for Poor School Attendance (other than unauthorised term time leave)

Sometimes pupils can be reluctant to attend school. We encourage parents and pupils to be open and honest with us about the reason for the pupil's absence. If a child is reluctant to attend, it is never better to cover up their absence or for a parent to give in to pressure to let the child stay at home. This can give the impression to the child that attendance does not matter and can make things worse. As a school, we need to understand the reasons why a pupil is reluctant to attend in order to be able to support pupils and parents in the best way.

When we have concerns about the attendance of a pupil, we will do our best to make the parent/s aware of the concerns about their child's attendance and give them the opportunity to address this. However, if parents do not make use of the support offered and improve their child's attendance to an acceptable level, this may result in legal sanctions. Where there are no genuine reasons for the absences, parents may be asked to meet with the [Family Link Worker](#) to discuss the matter. In some cases, this may result in a formal action plan being produced in the form of an Attendance Contract.

In very rare situations it can happen that children suffer from ESBS (Emotionally Based School Avoidance). Where this is believed to be the case, the school will consider drawing on input from external agencies in order to address the child's needs, support the parents and improve the picture of attendance.

If our school refers a case of poor school attendance to the Local Authority for legal sanctions, we will show that we have warned the parent/s that they are at risk of receiving a Penalty Notice or other legal sanction. This will at least be evidenced via the sending of a warning letter.

We will not usually request legal sanctions from the Local Authority in cases where poor attendance is symptomatic of complex family circumstances. In such circumstances our school will take a holistic approach to the issue and involve other agencies as necessary. The exception to this will be where parents fail to accept or engage with support offered by the school and/or other agencies or fail to implement the suggested changes. Again, when referring for legal sanctions, we will show that we have warned the parent/s that they are at risk of receiving a Penalty Notice or other legal sanction.

If our school has safeguarding concerns about a pupil who is absent, we will share information with other agencies as we deem necessary.

11. Pupils on Reduced (Part-time) Timetables

Pupils are entitled to a full-time education, suitable to their age, ability and aptitude, and any special educational needs or disabilities that they may have.

If, for any reason, our school is unable to provide a pupil with a full-time education due to the pupil's needs, we will work with the pupil, parent and other agencies where appropriate, to come to a mutually convenient arrangement. Any reduced timetables will be for the shortest amount of time possible, whilst arrangements are made to support the pupil's return to full-time provision as soon as possible.

12. Penalty Notices and Prosecutions

Parents have a legal responsibility to ensure that their child attends school on a regular basis. It is a criminal offence under Section 444 of the Education Act 1996 to fail to secure regular attendance of a registered pupil at the school. This applies to both resident and non-resident parents who may both be subject to legal sanctions if their child fails to attend school regularly. It also applies to others who may not be the parent but may have day to day care of the child.

Unauthorised absence from school can result in a number of different outcomes for parents and children. Each case is considered individually. When considering the circumstances we will seek to use the strategies we feel will be most productive in supporting Parents/ Carers to ensure their children are in school consistently. These include:

- Parenting contracts
- Education supervision orders
- Attendance prosecution
- Parenting orders
- Penalty Notices

Under section 444 of the Education Act 1996, if a child of compulsory school age, who is a registered pupil at a school, fails to attend regularly at the school his/her parent(s) are guilty of an offence. Parents with more than one school aged child need to be aware that each child's irregular attendance is dealt with as a separate matter.

The school will refer cases of unauthorised absence that meet the threshold for a Penalty Notice to the Local Authority for legal action unless there are reasonable grounds for not doing so. The outcome of a referral to the Local Authority may be a Penalty Notice or Prosecution.

Penalty Notices are intended as a sanction for low level offences and a tool to support improved school attendance for example in circumstances associated with an unauthorised holiday taken during term time. They are an alternative to prosecution and may not be issued if prosecution is considered to be a more appropriate response to a pupil's irregular attendance.

A pupil's unauthorised absence from school could result in one of the following:

1. A Penalty Notice. The penalty is £60 payable within 21 days, rising to £120 if paid between 22 and 28 days. (Failure to pay will result in prosecution.)
2. Prosecution.

Prosecution could lead to fines up to £2500 and /or 3 months imprisonment. (See DfE's statutory guidance on [School attendance parental responsibility measures](#) for more information and Bristol City Council's Penalty Notice Code of Conduct, available here: <https://www.bristol.gov.uk/schools-learning-early-years/education-welfare> or ask the school for printed copies.)

Penalty Notices and prosecution proceedings are issued to each parent with responsibility for the child and are issued for each child with irregular attendance. For example, in the case of Penalty Notices, if two siblings had irregular school attendance, and there were two parents with responsibility for the children, four Penalty Notices would be issued. Penalty Notices cannot be paid in instalments.

In addition to Penalty Notices, there is a range of other legal interventions open to schools

Schools, trusts and local authorities are expected to work together and make use of the full range of legal interventions rather than relying solely on fixed penalty notices or prosecution. It is for individual schools and local authorities to decide whether to use them in an individual case after considering the individual circumstances of a family.

13. Children Missing Education (CME)

Our school will add and delete pupils from roll in line with the law. The school will follow [Bristol City Council's Children Missing Education guidance](#), and make CME and Pupil Tracking referrals as appropriate. The school will seek advice from the Children Missing Education Officer if unsure about any individual cases:

childrenmissingeducation@bristol.gov.uk

14. Following up Unexplained Absences

Where no contact has been made with the school regarding a child's absence we will follow First day procedures (See Section 4, P14).

Beyond this, where it has not been possible to establish the reason for a child's absence we will continue to seek to do so by contacting all adult contacts by telephone or email. In some cases where we have particular concerns members of staff may visit the home to seek clarification of the situation. Once done, we will mark it as authorised or unauthorised depending on the reason for the absence.

If we are unable to establish the reason for absence within 2 school days, we will mark the absence as unauthorised, using the **O** code. If we are concerned about a pupil's absence and are unable to contact the parent/s, we may contact the pupil's emergency contacts and/or other professionals or contacts of the family who we reasonably expect may be able to advise us of the pupil's whereabouts.

15. Reporting to Parents

We share attendance data with parents in Learning Meetings which is recorded on the child's Learning Meeting Summary sent to parents after the meeting. Where any parent has queries or concerns regarding any information provided then they are very welcome to discuss these with the teacher.

Our termly school monitoring of Attendance identifies all children who drop below 90%, for whatever reason, and will communicate directly with parents regarding this to ensure they are aware of the current Attendance figure for their child and what the school is expecting to happen in response. Parents will receive one of two letters:

- Identifying their child's current Attendance data and informing parents that it will continue to be monitored
- Seeking a meeting with parents/carers to discuss the concerns school has about the child's attendance.

16. Recording Information on Attendance and Reasons for Absence

A child that is absent and the parent has contacted the school either by phone message or completing the absence form – if they are unwell then code 'I' is used for illness. The reason is recorded on the child's attendance record using our SIMs programme. We also record who has made contact, whether the school has contacted or if no contact has been established

Where children need to attend a medical appointment and the office staff have seen evidence an 'M' code is used.

Where children are not in school and we have not heard from the parent/carer:

- We will attempt to contact the number one contact by phone.
- If unable to reach them we call the number two contact.
- If we receive no response we will send a text message via schoolzine.
- Where there is still no response the absence is coded O – unauthorised absence – this is only changed if there is further information provided by Parents/ Carers.

If the child is highlighted for safeguarding concerns the office will notify a member of the SLT/ Safeguarding Team. This may result in a direct home visit by members of staff.

If the School office have any concerns regarding the reason for a child's absence it is recorded on CPOMS and where there is concern for their welfare, we may request a Welfare Check from the police.

Roles & Responsibilities

Structure for effective monitoring of Attendance

As a key component of Safeguarding, children's regular attendance at school is the responsibility of all staff all of the time. Within this principle the following roles are set out specifically.

The Governing Board

The governing board is responsible for monitoring attendance figures for the whole school on at least a termly basis (6 times a year). It also holds the headteacher to account for the implementation of this policy.

The Headteacher

The headteacher/principal is responsible for ensuring this policy is implemented consistently across the school, and for monitoring school-level absence data and reporting it to governors.

The headteacher/principal also supports other staff in monitoring the attendance of individual pupils and is responsible for identifying and requesting potential Penalty notices, where necessary.

Attendance Officer

The Attendance Officer role is directly linked to our Family Link Worker role. They are responsible for:

- Monitoring attendance data at the school and individual pupil level.
- Reporting concerns about attendance to the headteacher and Designated Safeguarding Lead (DSL) as appropriate and on a termly basis as a minimum.
- Arranging calls and meetings with parents to discuss attendance issues.
- Identifying support strategies and ensuring parents/ carers are clear as to the processes around attendance. This may include the use of an Action Plan and / or regular liaison meetings
- Referrals of concern to outside agencies in order to seek support for the parent/ carer or guidance as to next steps for school.
- Arranging meetings for parents/ carers with the Headteacher and Education Welfare Officer (EWO) where appropriate.

Attendance Officer (Office) and all Office Staff

School office staff are take calls/ messages from parents/carers about absence and record it on the school system.

Where they note patterns or significant levels of absence for a pupil they should share their concerns with the Attendance Officer and the DSL or Headteacher as they feel most relevant. This may be done by the Attendance officer (office), responsible for monitoring and collating all attendance through termly meetings with the Attendance Officer or, where concerns are significant, by speaking to the relevant people immediately.

Where conversations with parents have given rise to concerns or where no contact has been possible they may notify the relevant people through CPOMs.

Designated Safeguarding Lead (DSL)

The DSL supports monitoring of attendance for children where Safeguarding concerns already exist or will identify Safeguarding concerns in relation to attendance, through their role as part of the Pastoral team (DSL, SENCO and Family Link Worker). They use the vulnerable children's list to alert relevant staff to concerns that relate to safeguarding in general and attendance in particular.

Class Teachers and teaching staff

All class teachers (and regular teaching staff working in Hubs) are responsible for recording attendance daily, using the correct codes, and submitting this information to the school office. Where they note patterns or significant levels of absence for a pupil they should endeavour to speak to parents to register their concern. If, subsequently, there is no noticeable change they should share their concerns with the Attendance Officer / Family Link Worker and the DSL or Headteacher as they feel most relevant.
